

NORTHWEST SAN PEDRO NEIGHBORHOOD COUNCIL Public Safety COMMITTEE REPORT

Meeting Held at Peck Park on November 5, 2014, 5:30 PM

Committee Member Attendees

Carolyn Grayson, Roger Cuevas, Cynthia Gonyea, Ashley Grayson

Committee Members not in attendance

Pete Burmeister, Ray Regalado

Agenda Item – Promoting Neighborhood watch programs

Officer Bravo had emailed to Carolyn (me) the contact emails for 10 neighborhood watch groups. I emailed the block captains regarding what information they would like to have published in our newsletter or on our website. Of the 10 contacts: four responded, four did not respond, and two email addresses were incorrect. Of the four that responded, two watch groups are not in NWSPNC area (or one of these two may have a corner that is in the NW Council area). I will try to get further information from Officer Bravo.

Agenda Item – Emergency preparedness

a. Update from Officer Bravo re: dates for the LAFD to present their emergency preparedness program. Officer Bravo was not at the meeting. We had discussed possible dates in January, now we might push the dates to February. Based on discussion with council members, we should contact LAUSD to get them to plan the meeting for the school principals and administrators. Ashley will contact LAUSD.

b. Discussed proposed budget needs for supporting the two emergency preparedness meetings. Will prepare budget request of not to exceed \$750 for consideration by Budget Committee to cover refreshments at meetings and publicity of the event for the public.

c. Suggestion to hold preparedness meeting for neighborhood watch block captains – get the block captains together and discuss the 5 Steps to Neighborhood Preparedness Program. This was pushed to a future agenda for the committee pending more information about how to contact the block captains and who to get to make the presentation of the 5 Steps program.

d. Cynthia will follow up with LAFD to request LAFD show us the City emergency plan books. She will ask if someone from LAFD can bring the books to our next committee meeting.

Agenda Item – Topics for LAFD liaison for presentations at meetings

Since Ray was not present this was not discussed other than to say that Ray had spoken to LAFD about doing a tabletop exercise at one of our meetings.

Agenda Item – Community Meetings re: Rancho Holdings

Not discussed.

Agenda Item – Discussion of joining with Outreach committee to offer bicycle safety class

Carolyn can attend the next Outreach committee meeting and see if there is interest. Also suggested that we have skateboarding safety class – get LAPD to teach?

Agenda Item – Public Comment

None.

Adjourned.

Next meeting date December 3, 2014.
