County Supervisor Janice Hahn, 4<sup>th</sup> District  
302 West 5<sup>th</sup> Street, #200  
San Pedro, CA 90731

It is our understanding that Holland Partners will be conducting a traffic study in conjunction with the redevelopment of the Courthouse site.

Northwest San Pedro Neighborhood Council is among a number of stakeholder groups that support increased pedestrian use of the sidewalks, including outdoor dining, in downtown San Pedro. In fact these interests are reflected in the pending Local Community Plan and we know that you also support this vision. Our support for outdoor dining includes the use of enlarged sidewalks, bulb-outs or platforms in the current street. To enable these changes, we support making 6<sup>th</sup> and 7<sup>th</sup> Streets one-way from Pacific to Harbor Blvd., and creating diagonal parking on 7<sup>th</sup> Street. The addition of the diagonal parking would add approximately 50 additional parking spaces, more than replacing any lost to outdoor dining. Creating one-way streets would also make it easier to include outdoor dining in the development planned for the Courthouse site.

We understand that a traffic study is one of the first steps in the permitting process for one-way streets and request your assistance in including the one-way scenarios as the preferred alternative in any environmental review and/or traffic study required in conjunction with the development of the courthouse property.

Thank you for your consideration of this request.

Sincerely,

A handwritten signature in black ink that reads 'R. Regalado'.

Raymond Regalado, President

On behalf of the **Northwest San Pedro Neighborhood Council**
