RE: REPEAL OF HAYDEN LAW, SENATE BILL 1785

Dear Governor Brown,

The Northwest San Pedro Neighborhood Council is one of 96 neighborhood councils established under the charter of the City of Los Angeles. Our 17-member governing board is elected to represent approximately 20,000 residents as well as the businesses and other organizations that are located within our geographic area.

At our meeting on May 14, 2012, the Council unanimously passed the following resolution with regard to your proposed repeal of the Hayden Law for which we would like your support:

The Northwest San Pedro Neighborhood Council supports the Senate's opposition to the plan to repeal or abandon the Hayden Law and supports protection of the "Hayden Law" both in the May revise of the California budget and in all budget considerations moving forward in years to come.

Thank you in advance for your consideration of this issue.

Diana Nave, President
Northwest San Pedro Neighborhood Council
