Dear Ray,

I would like to personally thank you for supporting our Spring Fling! event at Leland Park. Having support like that is very important to the success of our neighborhood. I also wanted to thank you for your commitment to the entire San Pedro community. I know that you understand that community collaboration is very important and our success is your success.

I am very proud of my neighbors for stepping up and taking back our park from the drugs and thugs. Leland Park has truly come full circle. Shortly after the redevelopment was complete, I was told that the redevelopment was the easy part. The tricky part is to keep it nice! From a dingy existence, to a community treasure and as long as we have committed community members like yourself, we are sure to be a success for years to come. It is so wonderful to see the successes at Leland spreading to other parks in San Pedro!

I hope that Leland Park's Spring Fling will return next year and continue for years to come. We are planning a re-match game between LAPD and LAFD. Hopeful that it will be sometime this spring, with Dodger Dogs on the BBQ and we would love for you to join us.

Sincerely yours,

Debbie Rouser
