Re: Request Reinstatement of Traffic Control Officers

Dear Councilman Buscaino,

On October 8, 2018, the NW San Pedro Neighborhood Council passed the following motion:

The Northwest San Pedro Neighborhood Council requests the Council Office's assistance to reinstate traffic control officers during morning arrival and afternoon dismissal rushes at Taper Ave. School, for the duration of construction of the "High Park" development.

Additionally there should be a complete traffic study upon completion of the project to determine if traffic control is still needed. Traffic control should continue through completion of the traffic study.

We ask for an early response to this request as the school year has started and congestion problems are ongoing.

Sincerely,

Ray Regalado, President
On behalf of the Northwest San Pedro Neighborhood Council
