RE: Errors in Bylaws Attachment B

At some point in time, Attachment B to the NWSPNC Bylaws got filled out incorrectly. We thought that this had been corrected in DONE's records, however it was not corrected in the version of the bylaws we recently received from DONE. Furthermore the current Attachment B language does not agree with the language in our Bylaws. Specifically we are asking that the following be corrected:

1. Eligibility to Run for the four Census Tract Seats should be changed by deleting the word "works" to say "lives or owns property....".
2. Eligibility to Vote for each of the four Census Tract Seats should be changed to replace the reference to the Census Tract with Northwest San Pedro. The intent is that any stakeholder who lives, works, or owns property in NWSPNC can vote for these seats, it is not limited to those residing in the census tract.
3. Language regarding At-Large Representatives should be corrected under both the eligibility to run and the eligibility to vote by inserting the words "who is at least" in front of "16 years of age...".

The above language was approved at our Board Meeting on September 14, 2015. With the elections season starting, we are anxious to get this corrected. Thank you for your prompt attention to this matter.

Sincerely,
