Mr. Gene Seroka
Executive Director
Port of Los Angeles
425 S. Palo Verde Street
San Pedro, CA 90731

HAND DELIVERED TO PORT OFFICIAL AT PORT PRESIDENT'S MEETING

RE: Port of Los Angeles Community Funding

Mr. Seroka:

We support the Port's effort to secure funding from additional sources to support community and infrastructure projects. The expansion of Sampson Way in San Pedro is part of the community projects and overall development of the Port's O Call area. The total project cost is estimated to be \$13.6 million with construction starting later this year. The Los Angeles County Metropolitan Transportation Authority authorized \$4.9 million in funding for the Sampson Way Realignment Project. It is our interpretation of the Port's waterfront investment policy that outside funding will not be considered as an offset to the \$100 million that the Port has committed for public access waterfront projects over the next five years. Accordingly, there is \$4.9 million in budgeted funds available for other community waterfront projects. Our Neighborhood Council and Port Committee looks forward to working with the Port in identifying potential projects that could benefit from the additional \$4.9 million that is available.

Sincerely,

A handwritten signature in black ink that reads "R. Regalado". The signature is written in a cursive, flowing style.

Raymond Regalado, President
Northwest San Pedro Neighborhood Council
