Re: METRO EXPRESS LANES NET TOLL REVENUE REINVESTMENT GUIDELINES

The Northwest San Pedro Neighborhood Council respectfully requests that the definition of the I-110 Corridor as discussed in the Net Toll Revenue Guidelines be expanded to include the 110 Freeway from its inception in San Pedro on the south to Adams Boulevard on the north.

The users of the freeway who have paid the tolls and thus contributed to the funds that are being distributed under these guidelines include the residents of San Pedro, Wilmington, Harbor City and Harbor Gateway as well as the residents north of the Harbor Gateway Transit Center and thus deserve to benefit from the enhancements that will be funded .

Thank you for your consideration of this request.

Sincerely,

A handwritten signature in black ink that reads "R. Regalado".
