Re: The Red Car be Extended at least to the Fanfare Fountain and
that a Plan be Developed for Further Expansion

Dear Representatives:

On April 11, 2016 the Northwest San Pedro Council (NWSPNC) passed the following motion related to the red car:

The NWSPNC requests that the Port of Los Angeles and the contractors planning and building the renovated Ports 'O Call consider that once the Public Market is built and the Sampson Way Realignment completed, that the Red Car be extended at least to the Fanfare Fountain and that a plan be developed for further expansion of the Red Car after that (the renovation).

NWSPNC hopes you understand our great fondness of the Red Car and favorably consider our request. Please contact and include the NWSPNC during your future planning of the overall Ports 'O Call design as it relates to the placement of the Red Car.

Sincerely,

Ray Regalado, NWSPNC President
on behalf of the NWSPNC Board

Ray Regalado
President

Laurie Jacobs
