Re: San Pedro Dog Park

Gentlemen:

On September 12, 2018, the Northwest San Pedro Neighborhood Council (NWSPNC) unanimously passed the following resolution, requesting a review for a dog park be established in San Pedro.

Whereas dogs are an important source of companionship and protection for people, and as a substantial percentage of San Pedro residents reside in apartments, condominiums or townhomes, the desirability of and need for a dog park is well established. The existing dog park near Knoll Hill is being lost during 110/47 off ramp realignment. The only dog park in the area is located at Eastview Park in Rancho Palos Verdes.

Therefore, BE IT RESOLVED, the Northwest San Pedro Neighborhood Council urges the Port of Los Angeles, as the largest controller of flexible open space in the area, and the Council office to seek an alternate location for a dog park in the area of the Port, accessible to all residents.

The NWSPNC requests you review areas in San Pedro for a dog park to be established in San Pedro and contact us with your ideas.

Sincerely,

Ray Regalado, President
On behalf of the Northwest San Pedro Neighborhood Council
