Re: Support of Skate Park Reopening

Dear Mayor Garcetti & Councilmember Buscaino,

On September 12, 2018 the Northwest San Pedro Neighborhood Council voted unanimously to pass the following resolution supporting the reopening of the San Pedro Skate Park.

The Northwest San Pedro Neighborhood Council (NWSPNC) supports the San Pedro Skate Park and urges you to approve its reopening as soon as possible. The Skate Park, located in Northwest San Pedro, is unique in that it was designed and built by skaters themselves. At the time that the Port had to shut it down due to construction, the Port promised the skaters and the community that it would be reopened in about a year. Although another skate park was built by the city at Peck Park, it was never meant to be a replacement for the San Pedro Skate Park. Rather, it was meant to supplement it due to the level of demand in our community for such facilities. The skaters and the Council Office have worked hard to produce the documents required by the Planning Department. Now it is time for the Planning Department to approve this facility.

The NWSPNC would like a response to this letter from your office by October 15, 2018.

Sincerely,

Ray Regalado, President
On behalf of the Northwest San Pedro Neighborhood Council
