Dear Commissioners,

Recently the Northwest San Pedro Neighborhood Council reviewed the City's proposed Sign Ordinance and requested that the Port of Los Angeles be removed as a potential sign district. We would like your support for this position. The Port and community have been working very hard to clean up and beautify our waterfront. We feel strongly that allowing billboards would degrade those efforts. In fact, the Port previously bought out the leases of several billboards and removed them as part of the N. Gaffey beautification project.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in black ink that reads "Ray Regalado". The signature is fluid and cursive.
