Subject: Northwest San Pedro Neighborhood Council's Motions Re: Painting of Red Curbs

Dear Representatives:

The Northwest San Pedro Neighborhood Council Board passed motions related to the painting of red curbs in two specific areas in San Pedro. We respectfully request that your office address the following:

- *Motion from Issues Committee passed: The Northwest San Pedro Council requests that the curb at the end of Via Cordova where it connects to the pass through to Via Francesca be painted red. Currently cars parking in this area prevent wheelchair access to the sidewalk.*
- *Motion from Issues Committee passed: Motion from Issues Committee requesting that the curb on Gatun in front of the fire hydrant by Harbor Highlands be painted red due to the high volume of visitors to the park and the new development.*

Sincerely,

Ray Regalado, President
On behalf of the Northwest San Pedro Neighborhood Council
