**Agenda Item: Movie in the Park**

**What worked:**

- We had a good attendance in spite of the competition of other movies, Joe's spaghetti dinner and the Dodger game
- It was a good atmosphere and everyone seemed to have a good time
- The projection crew was once again very late in arriving and setting up

**What we could improve:**

- Check with Joe's office to be sure there will not be a conflict event/consider partnering with Joe on a dinner and a movie event.
- Consider hosting movie at a different time of year when there aren't so many other event taking place
- Material handouts do not work it's dark and damp and they end up being tossed.

**Agenda Item: Pathways to Employment**

- The committee decided this is an important event, worth the time and effort and will move forward planning a Pathways VI for 2017
- A meeting will be arranged for all interested to get involved
- A date and place for the event will be top priority
