Agenda Item: Summer Movie in the Park at Bogdanovich (Friendship) Park

We are looking at holding this event on June 10th which is the day after school lets out. We are considering having a "baseball" theme that may include an organized game before the movie, a baseball movie and other fun surprises.

As we get closer to the date, we will brainstorm more ideas to engage stakeholders and will submit a budget.

Agenda Item: New LOGO for NWSPNC

We reviewed a few concepts submitted by Laurie based on previous ideas and brainstorming. Joleen sketched a concept that has potential. We will continue to work on this and look at all submissions at the next meeting. We may need to hire a professional to clean up the design to create camera ready artwork.

Agenda Item: NSWSPNC sign for Peck Park

Darlene has been having discussions with Rec and Parks regarding the process and cost to have a new sign put up at the park entrance. This sign will include space for our NC to place event banners. More to come soon.

Agenda Item: NPG ready to announce

This year's NPG program form was reviewed and approved. Darlene will send the information and forms to Kristina to place on our website and Facebook page. This will also be sent to all Board members who are encouraged to forward the information to local organizations.
