This item was tabled until the April Youth & Outreach meeting

Agenda Items: Website discussion

A brief discussion was held with the determination to bring this up at the April meeting depending on budget information.

PATHWAYS TO EMPLOYMENT

Discussion was held regarding the website and suggested improvements were decided upon, specifically a 'one click' link for registration or for more info.

Promotional items were discussed and how each item will be branded was determined. Shirts will be gold with black imprint; backpacks will be imprinted with the logo in green to match the backpack trim.

Table stands were discussed and it was decided to see if we could borrow them from Grand Vision rather than buy new ones.

We are still waiting for approval from LAUSD to use the Olguin Campus for this event.
