Darlene reminded us that the POLAHS Green Event is on Friday May 19th from 12 – 3 and NWSPNC will be hosting a booth. She is looking for Board Members to help staff the booth. Our NC sponsored this event with a recent NPG.

Non-Agenda items

Skye Zaarour will be added to the Youth and Outreach Committee
Anise Goldfarb will be removed from the Youth and Outreach Committee

Agenda Item: Pathways to Employment event debriefing

Postponed as Joleen experienced car problems. This will be rescheduled.

Agenda Item: Consider a motion to provide additional funding for face painting supplies

This motion was tabled.

Agenda Item: Consider a motion to purchase button making equipment (funds available)

Matthew made a motion to purchase button making equipment and supplies not to exceed \$500. Laurie seconded the motion and it was unanimously passed. The buttons making would be set up at outreach events we attend to make fun buttons relating to the topic of the event for outreach and promotion.

Agenda Item: Strategize outreach for Youth Community Service Award

This has been posted on our Facebook and Website. Additionally the information is being distributed and promoted to local high schools and the Boys and Girls Club. We request all Board Members help spread the information.

Agenda Item: Summer Movie in the Park at Bogdanovich (Friendship) Park

We selected two proposed dates: 1st choice is Saturday August 26th, 2nd choice is Saturday, August 19th.
Darlene will check availability with the park and possible local event conflicts.

Matthew has suggested a baseball theme with the showing of the movie “The Sandlot” and an afternoon baseball game between the LAFD and LAPD.

The draft schedule has the event starting at 3pm with the baseball game, along with a student DJ for music and games. The park will be selling food. We may also host a voter registration booth. The movie will start around 7:30pm.

The budget will be created and reviewed at our next meeting, then submitted for approval.

We invite the following NWSPNC Committees to host a booth on their committee topic to engage our stakeholders:

- Community Visions
- Planning & Land Use
- Public Safety
- Sustainability
- Youth and Outreach
