RE: Elberon Bridge, San Pedro

We would like to request your assistance with restoring the Elberon Street Bridge that crosses over North Gaffey in San Pedro. As can be seen from the attached photos this is a lovely art deco bridge that is marred by the various paints that have been used to cover graffiti. This bridge constitutes a major entryway into Northwest San Pedro and should be restored in a fashion similar to the restoration of the bridge at the end of the 110 Freeway.

Please advise us as to the best way to proceed with this request.

Thank you.

Sincerely,

A handwritten signature in black ink that reads "R. Regalado".

On behalf of the NW San Pedro Neighborhood Council
