Re: NWSPNC Requests to Provide Input on Homelessness Issues

On May 14, 2018, the Northwest Neighborhood Council passed the following motion:

The Northwest San Pedro Neighborhood Council recognizes Mayor Garcetti's declaration and proposal for "Crisis & Bridge Housing Fund" to accelerate the construction of emergency shelters in Los Angeles.

The Northwest San Pedro Neighborhood Council requests that CD15 Council Member Joe Buscaino work with all the Neighborhood Councils of CD15 in the selection process of potential sites for this program before the funds become available in July.

Therefore, as the Northwest San Pedro Neighborhood Council would like to provide input on these financial resources, we request that all the Neighborhood Councils in CD15 be given the opportunity to provide input on potential sites and services placed within the borders of CD15.

We look forward to your response to our request.

Sincerely Yours,

A handwritten signature in black ink that reads "R. Regalado".
