**Agenda Item: Selection – Party at the Polls...Rock the Vote! What worked and what didn't work**  
The event was well organized. The food and music were great and the people who attended had an enjoyable day. Thank you to all who helped with planning and running the event. Suggestions for the future:

- More current Board Members hosting the booth to meet and greet stakeholders.
- Better signage around town with Neighborhood Council much more prominent and include the Free music and food on the sign. Signs confused people with a local election happening within a few days of our election.
- Improve our candidate statements to include all weighing in on specific current issues in our community to give our stakeholders a more comprehensive overview of candidate positions and goals to address specific issues. Include all of this in the candidate newsletter and online.

**Agenda Item: Retractable Sign Artwork**

Laurie provided 10 designs to consider for our new sign and we will now seek a local person to help convert the artwork to vector art for the production.

**Agenda Item: Music by the Sea**

Darlene emailed all Committee Chairs to pick a Sunday in July to host a booth but not one has responded. Laurie will create a sign up sheet for the June 11<sup>th</sup> Board Meeting as we need to cover each weekend.

Our new canvas bags and pens will be handouts at the event.

Water bottles will also be handed out when visitors take our "water bottle pledge".

We will again have a "doggie hydration" station providing water to our doggie visitors

**Agenda Item: Youth Service Award**

Two entries were received but one was incomplete. The other was stellar and we unanimously voted her as this year's recipient. She will be notified and invited to attend our July Board Meeting with Janet Grothe to hand out the award.

**Agenda Item: Photo Boards**

The photo boards from previous events will be donated to local community partners. We will not keep and store these boards.

**NEXT YOUTH AND OUTREACH MEETING:** July 3, 2018 from 6:00 – 7:30 pm at same location.
