Dear Mr. Williams:

At its Board Meeting on August 13, 2018, the Northwest San Pedro Neighborhood Council Board adopted the following statement regarding the proposed Policies and Procedures Ordinance which we request be distributed to members of the Planning Commission and placed in the file for CPC-2016-3182-CA:

While the Northwest San Pedro Neighborhood Council generally supports the draft Process and Procedures Ordinance, we hereby request that it be amended to include the affected Neighborhood Council in all of the sections regarding required notification.

The Neighborhood Councils are currently notified of all proposed development that requires discretionary action and we receive a copy of the plans as they are filed. Our community stakeholders have come to rely on the Neighborhood Councils as a source of information about any construction they see in the community. Notification of the Department of Neighborhood Empowerment should not be seen as a substitute for notification of the affected Neighborhood Council.

Thank you for your consideration of this request. Please contact Diana Nave at 310-930-0217 or diananave@gmail.com if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "R. Regalado".

Ray Regalado, President
On behalf of the Northwest San Pedro Neighborhood Council
