

Barton Hill – Downtown San Pedro
Choice Neighborhood

**LET YOUR VOICE BE
HEARD!**

The Housing Authority of the City of Los Angeles (HACLA) has kickstarted a **Planning Process** to revitalize the Barton Hill-Downtown San Pedro neighborhood.

We need your input as a resident of San Pedro on what you would like to see changed and/or added to the community.

Please take 10 minutes to complete the Neighborhood Survey by visiting:

(English) <https://www.surveymonkey.com/r/ChoiceNeigh>

(Spanish) <https://www.surveymonkey.com/r/ChoiceNeighEspanol>

Please answer every question in the survey as this will help us develop a more complete plan that reflects the interests and needs of the community.

Your input is important to us!

If you have any questions about this planning effort or this survey, please contact Arturo Nevarez, at 213-627-1822 x17 or Arturo@LANI.org

Choice Neighborhoods Planning Grants support the development of comprehensive revitalization plans focused around three core elements: Housing, People and Neighborhoods.
