RE: Hope on 6th

The Northwest San Pedro Neighborhood Council is pleased to support the proposed Hope on 6th at 576 W 6th Street. This 48-unit development would provide much needed affordable (23 units) and supportive (25 units) housing with on-site social services. We commend the Methodist Church for taking the leadership in developing this proposal. The Council recommends that you consider adding solar, water reclamation, and native landscaping to the project.

Sincerely,

Ray Regalado, President
On behalf of the Northwest San Pedro Neighborhood Council Board
