IMPORTANT BLOOD DONOR GUIDELINES

To qualify, donors must meet these FDA requirements*:

- Please present a valid photo ID at time of donation.
- Be healthy, and feel well on day of donation.
- Be at least 17 years old (no upper limit), and weigh at least 110 pounds.
- If 16 years old, must weigh at least 135 lbs to donate.
- If 16 or 17 years old, you must have a signed Parental Consent Form.
- Not currently taking antibiotics for an infection.
- Cancer free during the last year.
- No history of HIV (AIDS).
- Tattoos, permanent make-up, or piercings within the past 12 months are ok if they were applied in a California licensed facility with sterile, single-use needles.
- No dental surgery 72 hours prior to donation.
- Never used intravenous drugs not prescribed by a physician and have not received an accidental needle-stick in the past 12 months.

If you have any questions, please call us 310-423-5346.

**You may not be eligible if you have taken certain medications, have traveled to high-risk malaria areas or have lived in Europe. See a full list of guidelines and information at cedars-sinai.edu/donorguidelines.*
